HOBBIES

- **Reading the Bible**

Spiritual Balance is very important to me

- **Cycling**

I learned to cycle at 18 years old, Yeah so I have a lot of catching up to do,

- **Cooking**

Ever since I was able to cook I loved it. I love using uncommon ingredients to make awesome meals.

- **Worship Music & Piano**

I have been a bathroom singer most of my life but nowadays I've started singing outdoors

- **Playing Basketball**

In High school this was my go to but since I got injured my life has changed and I've grown distant to the game.

ACHEIVEMENTS

□ 08/2023

- **STEM Scholarship Awardee**

University of Technology, Jamaica

□ 04/2023

- **Elected Team Lead**

Amber Innovations

□ 01/2023

- **Amber Heart Institute Of Coding Valedictorian**

Amber Heart Institute of Coding

□ 01/2021

- **Outstanding Performance in CSEC and Cape Examinations**

St.Jago High School
